ANNUAL REPORT – 2024-25

A. About IIC Institute

St. Anne's First Grade College for Women functions in accordance with its vision of empowering students through quality education with the motto of "Love and Service". All the departments along with various Clubs and Cells conduct activities and motivate students to excel in various fields. The IIC of our Institution encourages young aspiring minds to showcase their creativity and innovative ideas through various activities and competitions.

Vision

To inculcate a culture of innovation and entrepreneurship among students to develop new ideas and create an innovative ecosystem.

Mission

Fostering a culture of creativity and entrepreneurship by engaging the students in various activities and create young innovators.

Journey of IIC established at the Institute

The Institution's Innovation Council (IIC) at St. Anne's First Grade College for Women was established during the academic calendar year 2022-2023 as a significant step towards fostering a culture of innovation and entrepreneurship among students and faculty. Since its inception, the IIC has been dedicated to promoting creative thinking, problem-solving, and the development of entrepreneurial skills. Through various workshops, seminars, competitions and activities, the council encourages students to transform their ideas into viable projects and startups. It is thriving to build an innovative ecosystem.

Diversified representation in the IIC established at the institute from industry, Interdisciplinary & Departments/ Units etc.

The IIC at St. Anne's First Grade College for women includes faculty and student members from various departments for diversified representation:

Sl. No.	Name of Member	Key Role/Position assigned in IIC	Department/Stream
1	Rajeshwari. R	President	HoD, Department of Physics
2	Ayesha Bi	Convenor	HoD, Department of Management Studies
3	Priya M.S	IPR Activity Coordinator	HoD, Department of Computer Application
4	Hifsa Hashmath	Start Up Coordinator	Professor, Department of Commerce
5	Nazia Farheen	Social Media Coordinator	Asst. Professor, Department of Computer Application
6	Aishwariya Lakshmi V A	Innovation Activity Coordinator	Asst. Professor, Department of Commerce
7	Vidya R	Internship Activity Coordinator	Asst. Professor, Department of Commerce
8	Amritha R	Teaching Member	Asst. Professor, Department of Management Studies
9	Janani B	Teaching Member	Professor, Department of Computer Application
10	Hamsaveni B S	Non-Teaching Member	Librarian
11	Romana Banu	Student Member	III B. Com
12	Sonu S	Student Member	III BCA
13	Angel Sharon	Student Member	II B. Com (Accounting & Finance)
14	Clemency	Student Member	II BBA – A Section
15	Ameena Firdouse	Student Member	III BCA
16	Bi Bi Ameena	Student Member	II BCA – A Section

B. Brief mention of key functionaries at the IIC Institute

- **President – Prof. Rajeshwari. R**
- **Convener – Prof. Ayesha Bi**
- **Coordinators etc.**
 - **Dr. Priya. M. S**, IPR Activity Coordinator
 - **Prof. Hifsa Hashmath**, Start-up Activity Coordinator
 - **Prof. Nazia Farheen**, Social Media Coordinator
 - **Prof. Aishwariya Lakshmi V A**, Innovation Activity Coordinator
 - **Prof. Vidya R**, Internship Activity Coordinator
 - **Prof. Amritha R**, Member
 - **Prof. Janani B**, Member
 - **Mrs. Hamsaveni B S**, Member
 - **Ms. Romana Banu**, Student Member
 - **Ms. Sonu S**, Student Member
 - **Ms. Angel Sharon**, Student Member
 - **Ms. Clemency**, Student Member
 - **Ms. Ameena Firdouse**, Student Member
 - **Ms. Bi Bi Ameena**, Student Member

C. Portfolio/graphical/Tabular representation of Resource strength (human capital and Physical capital) of the IIC institution

- Total No. of IIC Members - **16**
- Total No. of IAs - **0**
- Total No. of faculty Mentors from Portal - **0**
- Pre-Incubation Units, If any - **01**
- Incubation Units, If any - **0**
- IP Facilitation Unit, If any - **01**

D. Highlight Facilities, Infrastructure of Pre-Incubation & Incubation kind and Student bodies/clubs engaged in promotion of Innovation and Entrepreneurship in the campus.

As a non-technical institute, St. Anne's First Grade College for Women, provides essential facilities and infrastructure to support pre-incubation and incubation activities. We have a dedicated room equipped with necessary systems and reliable internet access, creating an environment conducive to innovation and entrepreneurship. Additionally, experienced mentors are available to guide students through their entrepreneurial journeys. Various student bodies and clubs are actively involved in promoting innovation and entrepreneurship on campus, encouraging a creative and collaborative mindset among students. While we are still in the early stages, these resources lay a strong foundation for nurturing future innovators and entrepreneurs.

E. Highlight Achievements (Narrative/Graphical/tabular representation)

- Number and Different types of I&E and IPR activities Conducted – **08**

SL No.	Title	Type of Activity
1	World Intellectual Property Day	Celebration
2	Workshop on Intellectual Property Rights (IPRs) and IP management for start up	Calendar
3	Basics of Intellectual Property Rights and Its Importance for Innovators and Entrepreneurs.	Calendar
4	Patent to Product (Srujanta Se Samruddhi)	MIC
5	Mark the Spot: Trademarks Talk: Masterclass on Trademarks and Geographical Indications	MIC
6	Copy That! Copyrights Uncovered: Masterclass on Copyrights	MIC
7	Inauguration of IP UTSAV and Celebration of World Creativity and Innovation Day	MIC
8	Significance of IP Protection and Commercialization	MIC

The institution actively organized and participated in a series of programs aimed at fostering awareness and understanding of Intellectual Property Rights (IPR) among students and budding entrepreneurs. The institution activities included the celebration of **World Intellectual Property Day** and a **Workshop on IPRs and IP Management for Startups**, focusing on the practical aspects of innovation protection. Sessions such as **Basics of Intellectual Property Rights and Its Importance for Innovators and Entrepreneurs**, provided in-depth knowledge of different domains of IP.

- No. of student's & faculty ideas generated – **37**
- No. of student's & faculty Innovation/prototypes developed – **37**

A significant number of innovative ideas were generated by both students leading to the successful development of creative projects and working prototypes. The students showcased their skills by designing website applications and building IoT models integrated with sensors, demonstrating practical problem-solving abilities and technological innovation. These initiatives highlight the institution's commitment to fostering creativity, hands-on learning, and innovation-driven outcomes.

- No. of IPs generated, published and granted - **0**
- No. of Student & Faculty Start-ups/Ventures established. – **0**

- Amount spent on promotion and awareness generation on Innovation Entrepreneurship in the campus – **Rs.10,000/-**

The institution has allocated funds for conducting seminars and competitions that promote entrepreneurship and innovation, covering expenses such as remuneration for resource persons, trophies, certificates, and other related costs. These initiatives are designed to foster creativity, encourage innovative thinking, and nurture entrepreneurial skills among students. By providing both financial support and a platform to showcase talent, the institution plays a vital role in motivating students to explore new ideas and transform them into impactful solutions.

- Amount grant or fund supported to student & Faculty lead Innovations, start-ups and IPR – **Rs. 15,000/-**

The institution encourages continuous professional development by providing financial support for faculty members to participate in Faculty Development Programs (FDPs), seminars, and workshops organized by other colleges and universities. This initiative not only helps faculty enhance their subject knowledge and teaching methodologies but also exposes them to emerging trends, innovative practices, and research opportunities in their respective fields. By facilitating such academic engagements, the institution ensures that faculty remain updated, motivated, and better equipped to deliver quality education, thereby contributing to the overall growth and academic excellence of the college.

- No. of Technology Transfer and Commercialization happened - **0**

F. Highlight few best IIC Faculty/Student members and their achievements/ Rewarded for the innovations at different forum

NIL

G. Highlight selected best Innovations & images with mention of inventor/innovation name

NIL

H. Highlight selected start-ups established by students/faculties with mention of founder/cofounder name

NIL

- I. List if any break through Innovations / Technology Developed at the institute (2-3 technology with 2-3 lines about technology and innovation

One of the notable innovations by our students is the **development of a website** for hosting intercollegiate competitions in the college. The platform was designed and implemented by BCA students, providing a user-friendly interface for event registration, information sharing. By hosting it online, the website ensured wider accessibility, seamless coordination, and real-time updates, significantly enhancing the efficiency of managing large-scale student events.

- J. Participation of IIC-institute in various programs of Central and Stage Govt. Highlighting specially for the schemes or programs

- NISP Adoption status - Trained Faculty, Policy Formulation, Policy Implementation - **NIL**
- Smart India Hackathon etc.

The Eco Club of St. Anne's First Grade College organized a "Green and Clean Drive" on 1st August 2025 at Vasanthnagar as part of its environmental awareness initiatives. This hands-on community outreach activity focused on promoting cleanliness, environmental sustainability, and civic responsibility among students and the local community. Participants actively engaged in cleaning streets, collecting waste, planting saplings, and spreading awareness on waste segregation and plastic reduction.

- YUKTI Innovation Challenge

YUKTI Innovation Challenge- As part of this initiative, students developed innovative website applications and IoT models equipped with sensors, showcasing their creativity and technical skills. These innovations were duly registered and uploaded on the YUKTI portal, reflecting the institution's commitment to encouraging student participation in national-level innovation platforms and contributing to the country's innovation ecosystem.

L. Testimonials

IIC Members & Coordinators:

It is a matter of great pride to witness the activities and initiatives undertaken under the banner of the Institution's Innovation Council (IIC). The council has played a pivotal role in cultivating an ecosystem of creativity, innovation, and entrepreneurship within our institution.

Throughout the year, IIC has organized various programs, workshops, competitions, and interactive sessions that have motivated students to think innovatively and work on ideas with real-world impact. These initiatives have not only enhanced their problem-solving and critical-thinking skills but have also empowered them to become job creators rather than job seekers.

*Hifsa Hashmath,
IIC Start-Up Coordinator, St. Anne's First Grade College for Women, Bengaluru*

Student Testimonial:

I Romana Banu, student of St Anne's First Grade College for Women would like to share my experience about my experience in being a part of IIC during my College time. Being a part of the Institution's Innovation Council has been an inspiring journey. The workshops and activities encouraged me to think creatively and explore innovative solutions to real-life problems. IIC gave me the confidence to share my ideas and work on them with guidance from mentors. It has truly nurtured my entrepreneurial spirit. I am grateful for the opportunities and learning experiences it has provided.

*Romana Banu
Student member, IIC*
