

### Department of Management - B.B.A.

The Bachelor of Business Administration course aims at developing the business acumen of students to be on par with global standards. Students will master the fundamentals of business management and leadership, and in the process, gain insights into major areas of global business. This course offers young dynamic students a plethora of opportunities to explore their entrepreneurship abilities and to forage into new frontiers in the corporate world.

### Career Opportunities :

Graduates may find suitable career opportunities in corporate sectors as HR Managers, Financial Analyst, Marketing and Media.

### Department of Humanities - B.A.,

The advantage of choosing Psychology, English Literature and Journalism is that each is related one to the other. A study of literature helps in the psychoanalysis of the human characters delineated by great writers and thereby a study of the behavioural patterns society as a whole, and giving us new insights into the diverse workings of the human mind and its ramifications in the contemporary world Journalism provides scope for an in-depth understanding of the media, ranging from print to broadcasting. The techniques of writing, reporting, editing, communicating are met by developing languages skills. This is provided by the English Language lab where training is provided on grammar and vocabulary, and pronouncing techniques.

### Career Opportunities :

Students can take up a career in Counselling, HR in Industries, can go on to become Content Writer, Copy-Writer, Transcriptionist, Translator, Teacher, Voice Trainer, Reporter, Editor, Anchor, Advertising and PR.

### Post Graduate Course - M.Com.

Due to globalization and increase in commercial activities and networking, the commerce field has gained tremendous importance all over the world. The subject not only offers new vistas of knowledge but is also popular among the aspirants for competitive exams.

### Career Opportunities :

M.Com degree serves as a foundation for further advanced studies and research in this area such as M.Phil. and Ph.D. Further advanced studies and career in different fields like Academia, Commercial and Government sectors, Corporate sectors and a wide range of careers dealing with the flow of money, Accountant to Investment Banker, Money Manager to personal Finance Consultant.
