Student Satisfaction Survey - 2022-2023

The Student Satisfaction Survey for the academic year 2022-2023 was carried out by the IQAC team to assess the students' educational experience, services and facilities in the Institution. The data was collected by using Google forms. The responses were analysed and the result was reviewed by the IQAC team. Recommendations were prepared and forwarded to the management.

In order to achieve this, responses for each question was collected on a **scale of 1-5, a rating of 1 signifies acute dissatisfaction and a rating of 5 signifies high satisfaction.**

The following is the analysis of average score per question:

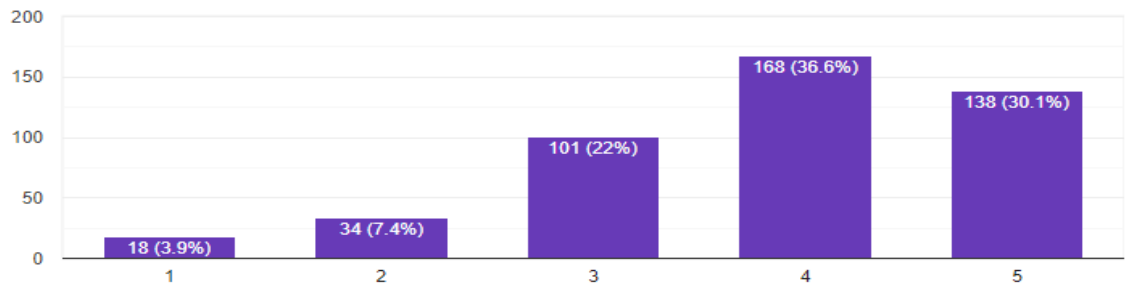

Part A

Quality of teaching faculty
